For: Orotate Transporter Encoding Maker Genes

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on July 21, 2006 as a national phase application of PCT/DK2005/000092. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of provisional application no. 60/545,774 filed on February 19, 2004.

The filing receipt received by Applicants omitted the U.S. provisional application in the domestic priority data.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: May 1, 2008
